Dear Public Service Director,

For members of the VFW, serving overseas was just the beginning. As many people struggle and face new challenges every day, the VFW is there in communities throughout our country serving, organizing, supporting and building in times of peace and crisis. Whether providing meals to the hungry or supplies to the sick, we help to bring resources to those in need. We also help our fellow veterans, no matter where they are or when they need us, to secure the benefits they've earned and stand by them until they get what they deserve. We know that service doesn't stop when we're done serving. It's what makes us the VFW.

Established in 1899, the Veterans of Foreign Wars of the United States (VFW) is an independent, congressionally-chartered nonprofit. As America's largest and oldest combat veterans organization, our mission is to serve and advocate for America's veterans, service members and their families, as well as our communities. Annually, VFW members and our affiliates volunteer 9.4 million hours to our communities and \$44.1 million to local community service projects. We also help veterans recoup \$11.9 billion in benefits and compensation annually from the Department of Veterans Affairs. We've distributed \$7.9 million in scholarships to veterans and have awarded approximately \$12 million in grants to struggling military families to help cover basic life necessities. Through these and other efforts, we work to ensure that veterans are respected for their service, always receive their earned entitlements, and are recognized for the sacrifices they and their loved ones have made on behalf of this great country.

We hope that you will help inform your listeners about the mission and work of the VFW by airing the new PSAs titled "**Our Service Doesn't Stop**" (:30) and "**No One Left Behind**" (:30). These PSAs demonstrate how the VFW helps make life better for veterans as well as those in need in communities throughout the country. The PSAs, which have **no end date for use**, also encourages your audience to visit vfw.org for more information.

For any questions or additional information, please contact our PSA distribution representative, Shaliza Thomas at Connect360 Multimedia, at 212.624.9187 or via email at sthomas@c360m.com.

"Our Service Doesn't Stop" (:30)

MUSIC UP AND UNDER

NARRATOR V/O: Serving overseas was just the beginning. We might be home from war but our mission continues in communities all across the country. It's why we're out there in times of peace and crisis, providing meals to the hungry and supplies to the sick. It's why we're giving strength to those who are too weak and bringing resources to those without them. Service doesn't stop when we're done serving. It's what makes us the VFW. Learn more at VFW.org.

"No One Left Behind" (:30)

MUSIC UP AND UNDER

NARRATOR V/O: No man, no woman, no one left behind. For the VFW, it's a credo that stands long after our fighting days are over. Because our service never stops. We're still serving. Which is why we pledge to help our own no matter where they are or when they need us. Standing in lockstep with those who stood so courageously for everyone else. It's what makes us the VFW. Dear Applicant

This modifies our letter of the above date in which we stated that you would be treated as an organization that is not a private foundation until the expiration of your advance ruling period.

Your exempt status under section 501(a) of the Internal Revenue Code as an organization described in section 501(c)(3) is still in effect. Based on the information you submitted, we have determined that you are not a private foundation within the meaning of section 509(a) of the Code because you are an organization of the type described in section 509(a)(1) and 170(b)(1)(A)(vi).

Grantors and contributors may rely on this determination unless the Internal Revenue Service publishes notice to the contrary. However, if you lose your section 509(a)(1) status, a grantor or contributor may not rely on this determination if he or she was in part responsible for, or was aware of, the act or failure to act, or the substantial or material change on the part of the organization that resulted in your loss of such status, or if he or she acquired knowledge that the Internal Revenue Service had given notice that you would no longer be classified as a section 509(a)(1) organization.

You are required to make your annual information return, Form 990 or Form 990-EZ, available for public inspection for three years after the later of the due date of the return or the date the return is filed. You are also required to make available for public inspection your exemption application, any supporting documents, and your exemption letter. Copies of these documents are also required to be provided to any individual upon written or in person request without charge other than reasonable fees for copying and postage. You may fulfill this requirement by placing these documents on the Internet. Penalties may be imposed for failure to comply with these requirements.
