Dear Public Service Director,

In March of 2020, the COVID-19 pandemic forced us to adopt a "new normal," adding stress and anxiety to all of our lives. But, with the help of our friends, families, and communities, we we're able to come together and get in sight of the finish line

In our latest public service announcement titled "**Together**" (:30, :15) everyone from a hospital nurse, to a grocery delivery person, to our friends both close by, and in faraway places come together to get through the COVID-19 pandemic.

As airtime permits, we hope you'll air "**Together**" (:30, :15) as soon and as often as possible. This PSA **is available for use until June 1, 2022.**

For any questions regarding the PSA, please contact our distribution representative, Shaliza Thomas, at Connect360 Multimedia (e-mail: sthomas@c360m.com; ph: 212-624-9187).

Thank you in advance for your consideration and for sharing these important messages.

Sincerely yours,
