Dear Public Service Director,

I recently joined the San Diego Zoo Wildlife Alliance after more than a decade at Universal Studios Hollywood, where I had the opportunity to help launch the Wizarding World of Harry Potter and several other exciting experiences. Building on the idea that unique experiences are what inspire us to take action and create lasting memories, I am excited and honored to be part of an organization that has such a noble mission of saving wildlife, an objective that is so very important to the future of our planet.

At the San Diego Zoo Wildlife Alliance, I've been able to dive much deeper into the world of wildlife conservation. From climate change to wildlife trafficking, many of our planet's most majestic species are facing real threats. We are aligning with conservation organizations around the world to meet this crisis and make a real impact for wildlife.

And we need your help. Please join us in our efforts to save wildlife by informing your audience of these issues and airing our new PSAs. You can be a part of the Alliance that's powering real, innovative solutions and ultimately creating a world where all life thrives.

The PSAs, **which use will end on August 5, 2022**, also encourage listeners to visit [sdzwa.org](http://sdzwa.org) for more information.

If you have any questions regarding this PSA campaign, please contact our distribution representative at Connect360 Multimedia, Emely Rivas (212-624-9195; [erivas@c360m.com](mailto:erivas@c360m.com)).

Thank you in advance for your consideration and support of wildlife conservation.

Sincerely,

David Miller

Dear TAXPAYER:

This is in response to your Feb. 11, 2013, request for information regarding your tax-exempt status.

Our records indicate that you were recognized as exempt under section 501(c)(3) of the Internal Revenue Code in a determination letter issued in APRIL 1962.

Our records also indicate that you are not a private foundation within the meaning of section 509(a) of the Code because you are described in section 509(a)(2).

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

Please refer to our website [www.irs.gov/eo](http://www.irs.gov/eo) for information regarding filing requirements. Specifically, section 6033(j) of the Code provides that failure to file an annual information return for three consecutive years results in revocation of tax-exempt status as of the filing due date of the third return for organizations required to file. We will publish a list of organizations whose tax-exempt status was revoked under section 6033(j) of the Code on our website beginning in early 2011.
