ABOUT THE NATIONAL PARK FOUNDATION

As the official nonprofit partner of the National Park Service, the National Park Foundation directly impacts what matters most: our treasured national parks. We focus on promoting programs and projects that protect precious landscapes and wilderness, historical sites, and places of cultural significance. We work to keep trails clear through our Active Trails program, partner with collaborators like the White House to get kids outdoors through Open OutDoors for Kids, and most importantly, raise and allocate critical funds to keep our national parks safe. And with the ongoing support of fellow park lovers, we'll continue for years to come.

Dear Public Service Director,

I am reaching out to you today to ask your help in encouraging people everywhere to consider elevating the awareness of the National Park Foundation and the crucial support it provides to the National Park Service.

National parks show us that life can be both beautiful and complex. They are spaces where we can go to escape the stresses of our everyday lives. They also embody the essence of a nation forged by the powerful forces of nature, the chronicles of conflict, a spirit of innovation, and an enduring vision of democracy for all. *For over 50 years, the National Park Foundation has been dedicated to supporting our parks – ensuring that they thrive and inspire wonder for generations to come.*

On behalf of the National Park Foundation, I would like to ask for your help in securing placement for this important and powerful message across your platforms. To share this crucial message and engage with people everywhere, we are entirely reliant on donated media. We would greatly appreciate your help in ensuring our message gets the maximum reach so that we can keep working to preserve and support these national treasures.

Thank you for taking the time to view our two new :30 "Wonder Calls" PSAs titled "**Bigger**" (:30, :15) and "**Unstoppable**" (:30, :15). We hope that you will consider incorporating these important, timely, and relevant messages into your regular rotation. **These PSAs have no end date for use.**

If you have any questions regarding the PSA, please contact our distribution representative at Connect360 Multimedia, Shaliza Thomas (212-624-9187; sthomas@c360m.com).

Dear Sir or Madam:

This letter is in response to your request for a copy of your organization's determination letter. This letter will take the place of the copy you requested.

Our records indicate that a determination letter issued in June 1981, granted your organization exemption from federal income tax under section 501(c)(3) of the Internal Revenue Code. That letter is still in effect.

Based on information subsequently submitted, we classified your organization as one that is not a private foundation within the meaning of section 509(a) of the Code because it is an organization described in sections 509(a)(1) and 170(b)(1)(A)(vi).

This classification was based on the assumption that your organization's operations would continue as stated in the application. If your organization's sources of support, or its character, method of operations, or purposes have changed, please let us know so we can consider the effect of the change on the exempt status and foundation status of your organization.

Your organization is not required to file Form 990, Return of Organization Exempt from Income Tax.

All exempt organizations (unless specifically excluded) are liable for taxes under the Federal Insurance Contributions Act (social security taxes) on remuneration of \$100 or more paid to each employee during a calendar year. Your organization is not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

Organizations that are not private foundations are not subject to the excise taxes under Chapter 42 of the Code. However, these organizations are not automatically exempt from other federal excise taxes.

Donors may deduct contributions to your organization as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to your organization or for its use are deductible for federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.
