If your listeners are looking for more in this world ... If they are ready to be part of something bigger... you can help us open a door for them.

We are the Peace Corps. In more than 60 countries, *we go the distance to make a difference*. To fulfill our powerful mission, *we need to attract the most talented group of Peace Corps Volunteers* to serve boldly.

Founded in 1961, the Peace Corps is an exciting network of Volunteers who live and work side-by-side welcoming communities on locally prioritized projects in Education, Health, Environment, Agriculture, Community Economic Development, and Youth in Development.

The "*Bold Invitation*" *Public Service Announcement (PSA) Campaign* invites college students, working adults, and early retirees to learn more about becoming a Peace Corps Volunteer. The inspiring spots (:60, :30) urge listeners to use their purpose and passion to help make lasting, generational impact.

On behalf of the Peace Corps, please consider airing this important message across your platforms and helping us make a difference. If you have questions about the PSAs, contact our distribution representative at Connect360 Multimedia, Shaliza Thomas, who can be reached at 212-624-9187 and stthomas@c360m.com. Thank you in advance for supporting this powerful public service campaign.

NARRATOR V/O: Are you looking for more in this world? Are you ready for something bigger? Then we are looking for you. The big-hearted. The bold. The messy and the gutsy. The teachers. The growers. The builders. The skilled. The sharers. The changemakers.

We need you. We are the Peace Corps.

In more than 60 countries, we go all in and all out. We are Volunteers, partners, communities— working together, living together. Bringing our experience, passion, and joy to building a better world. Together.

From protecting coastal resources in Mexico. To keeping kids healthy in Kenya. From sustainable farming in the Philippines. To education in Kosovo.

We learn more. Give more. Share freely and serve boldly. Are you ready to tackle the tough stuff? To go the distance to make a difference? Then we have a place where you belong. Join us at PeaceCorps.gov.
