Dear Public Service Director,

Before the harness. Before the confidence. It starts quietly, with small paws—and a big promise.

It starts in homes across the country, where volunteers welcome puppies into their homes. Puppies who'll grow up to guide, serve, and save lives—at no cost to the recipients.

And it can start with you.

Our 30- and 60-second radio PSAs, "**Puppy Raising Across America**," narrated pro-bono by iconic William Shatner, celebrate these everyday heroes who transform playful pups into lifelines of hope.

But only you can give a voice to their stories.

Thank you for shining the spotlight on possibilities—and for changing lives, one PSA at a time.

Warm regards,

Titus Herman
Chief Executive Officer

WILLIAM SHATNER: Some journeys start small... with small paws and big purpose.

Every great partnership begins with a first step.

Guiding them through the world... so one day, they can guide someone through life.

With shared experience, confidence grows.

And the path becomes clear.

It takes time, patience, and love... but the reward lasts a lifetime.

You don't just raise a puppy... you raise a future.

Become a Dogs Inc puppy raiser. Give a dog a purpose. Give someone hope.
